Hello Steve - Good to see you the other day. Interestingly, we've received a CORA/FOIA request yesterday from a Jonathan Deem an attorney at Jackson Kelly <http://www.jacksonkelly.com>.

Not sure who he is representing, but I suspect Todd Hennis.

He has requested the following:

1. A consent decree and order between Sunnyside Gold Corp and the WQCD entered in 1996 to facilitate the reclamation of an inactive mining property in San Juan County, Colorado.
2. All applicable amendments to the Consent Decree from 1996 to July 2003
3. CDPS permit no. 0027529 for the American Tunnel audit discharge
4. All violations issued to the Gold King Mine Corp concerning the American Tunnel from Sept. 2004 to the present
5. All violations issued to the Gold King Mine Corp concerning the Gold King Mine from 2000 to the present
6. Permit for the Gold King Mine, permit no. M-1986-013
7. Mogul Mine Work Plan dated Sept. 24, 2002
8. All permits concerning the Gold King and Grand Mogul Mines from 2000 to the present"
